EXPERIENCE

Qualifacts Systems, LLC Feb 2021 - Present

Web Designer

Developed responsive web interfaces for a healthcare product, ensuring brand consistency, accessibility, and user-friendly layouts. Created clean, visually appealing designs using HTML, CSS, Bootstrap, JavaScript, and jQuery, improving usability and maintaining high standards of cross-browser compatibility. Moreover, Redesigned the Qualifacts website, converting the entire platform from static pages to a dynamic, component-based architecture using React.js.

Hi-Lab Solution July 2019 - Feb 2021

UI/UX Designer

Delivered user-friendly and visually engaging website and mobile application designs by creating wireframes, high-fidelity prototypes, and interactive layouts in Adobe XD and Figma, improving usability and enhancing overall user experience. Additionally, Developed and enhanced websites using HTML, CSS, Bootstrap, JavaScript, and jQuery, incorporating GSAP animations to deliver engaging and visually dynamic user experiences.

Wan Buffer Aug 2018 - Apr 2019

Web Designer

Developed responsive, high-performance websites using HTML, CSS, JavaScript, and jQuery, enhancing user experience and cross-browser compatibility.

Innowyn Business Solutions May 2017 - July 2018

Web Designer

Responsible for converting PSD designs into pixel-perfect, fully responsive HTML, ensuring seamless performance and consistent appearance across all major browsers and devices.

Maxgen Technology Pvt Ltd July 2016 - May 2017

Web Designer

Conducted training sessions for junior designers and interns on HTML, CSS, Bootstrap, JavaScript, jQuery, and responsive design principles. Guided interns in best practices for UI layout, cross-browser compatibility, and website performance optimization. Created structured learning materials and hands-on exercises to enhance practical skills.
